A SHORT HOW-TO: NAVIGATING OUR ROBUST MENU

- 1.** Each pour of whiskey in a flight is 1oz; a 4-part flight is 4oz of liquor. Our standard straight pour is a 2 oz pour.
- 2.** We serve all of our flights with ice and water. Use these however you like! Adding ice or water to a whiskey is the quickest way to lower the proof and get to enjoy the flavors. If you would like an additional mixer, just let your Troublemaker know and they'll add it.
- 3.** Yes, we do indeed have more than bourbon at Trouble Bar! You'll find our cocktails, wine, beer and other spirits on pages 2 & 3.
- 4.** Have fun! Read our descriptions, but ask any of our knowledgeable staff to assist you if you're shopping around and aren't sure what to drink.

SEASONAL TEA SYRUPS BY

OUR FRIENDS AT:

TROUBLE BAR

SEASONAL COCKTAILS

WILDFLOWER OLD FASHIONED (FELICIA'S VERSION) (THEE REMIX) - \$12 SINGLE | \$60 PITCHER
Pitcher is 8 - 10 cocktails

Bourbon, Black Tea & Rose Syrup, Apple Blossom Bitters, Orange Bitters
This was the first Old Fashioned Felicia created when we fully re-opened Trouble Bar after COVID closures; she sought to capture the essence of spring and rebirth.

THE CATEGORY IS ABUNDANCE (FELICIA'S VERSION) (THEE REMIX) | \$14

Gin, Guava, Hibiscus, Fresh Lime Juice, Mini Bottle of Prosecco
Typically, Fall cocktail menus feature lots of apples, pears and heavier flavors, but Felicia was never typical or traditional, so she opted for the tropical darling flavor of Guava and built this delicious riff on a French 75.

LAKE DIP (FELICIA'S VERSION) (THEE REMIX) | \$14

Tequila, Strawberry, Raspberry, Blackberry, Fresh Lemon & Lime Juice, Orange Liqueur

***Your way: Ask a bartender to sub Mezcal for Tequila!**
When our co-owner brought a jar of her dad's Triple Berry Jam to Felicia to enjoy, Felicia immediately wanted to turn it into a cocktail - AS WAS HER WAY. So we got the recipe for the jam and Felicia converted that into a cocktail base!

ABOUT DAMN TIME (FELICIA'S VERSION) (THEE REMIX) | \$12

Bourbon, Kumquat, Rosemary, Fresh Lemon & Lime Juice
Felicia wrote this recipe as a "spell for health" - an homage to remedies and the traditional ways we heal ourselves through herbs, but also through community and coming together.

YOUNG GIFTED & BLACK (FELICIA'S VERSION) (THEE REMIX) | \$14

Gin, Kiwi, Pineapple, Fresh Lemon & Lime Juice
In an homage to one of Felicia's favorite cocktails, a Gin Sour, she mixed the fun Kiwi syrup she found with pineapple juice and created one of Trouble's most popular cocktails ever.

Our Cocktail Mistress & Potions Master, Felicia Corbett, loved two things: cocktails, music, unicorns, being late to any appointment and glitter. As our team finds ways to honor her legacy since her passing and carry on her spirit of delicious drinks, caring and thoughtful service and changing the bourbon industry for the better, we're sharing the mixtape we made of some of our favorite drinks from her menu archives.

Team Trouble would like to take this moment to remember that women, femmes and non-binary folks do not exist to entertain anyone and no one is entitled to their space. Please do not approach anyone in this bar without their explicit consent. **Should you feel uncomfortable with another patron's behavior and do not feel comfortable addressing it directly, please let us know immediately.**

Thank you to everyone for helping us create a safe, inclusive, joyful space where we can all enjoy a drink in relative peace.

Barrell Dovetail

We went to Louisville's barrel finish queen (and our own Beverage Director and Potions Master, wine expert, and one of Louisville's first craft bartenders), Felicia, and asked her to assemble a gang of all her favorite barrel finishes currently out on the market. This grouping is a fantastic entry point for bourbon appreciators who are still looking to fall in love with something.

This is a flight of new and exciting producers we're jazzed about, and they run the gamut - there are blenders, risk-taking indie producers and more on this flight. If you were thinking about asking your Troublemaker "What are you currently excited about?" this flight would be it, from new producers we think are going to go far to brands that we think have something special to offer to the industry.

Curated By: Peggy Noe Stevens, Founder, Bourbon Women

Baker's

Maker's Mark Cask Strength

Peerless Bourbon

New Riff Single Barrel Rye

Without Peggy Noe Stevens, there would surely be much less troublemaking in the world of bourbon. She has supported our founders since the day they set up shop & she blazes trails straight through the heart of the industry with her passionate work empowering women within and beyond bourbon. She picked this bold, high-proof whiskey flight because Bourbon Women's research shows again and again that women prefer bold whiskeys with high proofs.

TROUBLE BAR

VIBE: NEW TO THIS

Bless your heart, found yourself in a whiskey bar! We're so glad you're here! This page is dedicated to everyone trying to find their seat at the whiskey table, expand their palate or learn what all the fuss is about when it comes to delicious American whiskey - and our own Kentucky bourbon.

TRY SOME RYE | \$30

Like Negronis & bitters & IPA's? (Oh my?) Then ryes might be right up your alley - folks who have palates that are attuned to bitter flavors can sometimes be the most receptive to rye whiskey.

Many folks find rye to be "spicy" on the palate - evoking more cinnamon & baking spice than bourbon's vanilla & caramel notes. These are some of the most friendly ryes on our menu and if you like them, ask a Troublemaker about a level-up rye option to enjoy before you go.

Our owners once set out on this journey themselves, coughing, watering eyes and all. This collection of bourbons is ultra smooth with a hint of sweetness that makes them go down easy. Try them over rocks & with a splash of water to really open up the flavors.

KENTUCKY TO THE WORLD | \$36

Curated By: Colleen Thomas, KY Distillers Association

Michter's US1 Whiskey

Old Forester 86

Green River Bourbon

Old Bardstown BIB

Pure Kentucky Small Batch

This hard-working boss chose a flight of delicious Kentucky whiskeys sometimes overlooked. Colleen says, "Some people think you can't get a great whiskey at these low prices. My five friends are here to diminish that outrageous fallacy. People who know whiskey have these on their bars, and if you don't yet, I have a feeling you'll find a soulmate in this assemblage of eloquent modesty."

TROUBLE BAR

VIBE: DEEP DIVES

Love a deep dive on our favorite topic? If you want to nerd out and try some things you might not see that often in stores, this is for you. Mad about NDPs (non-distilling partners), curious about Bottled-in-Bond or intrigued about the new kids on the scene we're digging? Let's jump in!

BONDED BABY | \$28

The Bottled-in-Bond law gave whiskey a legal parameter to ensure a certain level of quality. Forget small batch and hand-made - those mean nothing! BIB products are at least 4 years old, distilled in the same season (no blends here!), distilled by the same distiller (no contract stuff in here!) & bottled at exactly 100 Proof. These are some of our go-to options - if you find the first three easy to sip, enjoy the high-rye Old Grand Dad bourbon!

JTS Brown BIB
Old Bardstown BIB
Benchmark Bonded
Old Grand Dad BIB

BLENDED BABES | \$30

Around here, we don't disdain the non-distilling partners, who are creating some of the best brands in whiskey right now. Can't spend all your money building a distillery but want to make beautiful whiskey? Want to make gorgeous, delectable blends from the best distillers in the country? Blending, baby! There's so much great whiskey coming out of these companies and right now, these are among the best.
